UNION HIGH SCHOOL

BOOSTER 1980
UNION HIGH SCHOOL
Union, New Jersey

We may never pass this way again

Life, so they say,
is but a game
and they let it slip away.

Love, like the autumn sun,
should be dying,
but it's only just begun.

Like the twilight in the road up ahead,
they don't see just where we're goin'.

and all the secrets
in the universe,

whisper in our ears
and all the years
will come and go and
take
us up — always up.

We may never pass

this way again

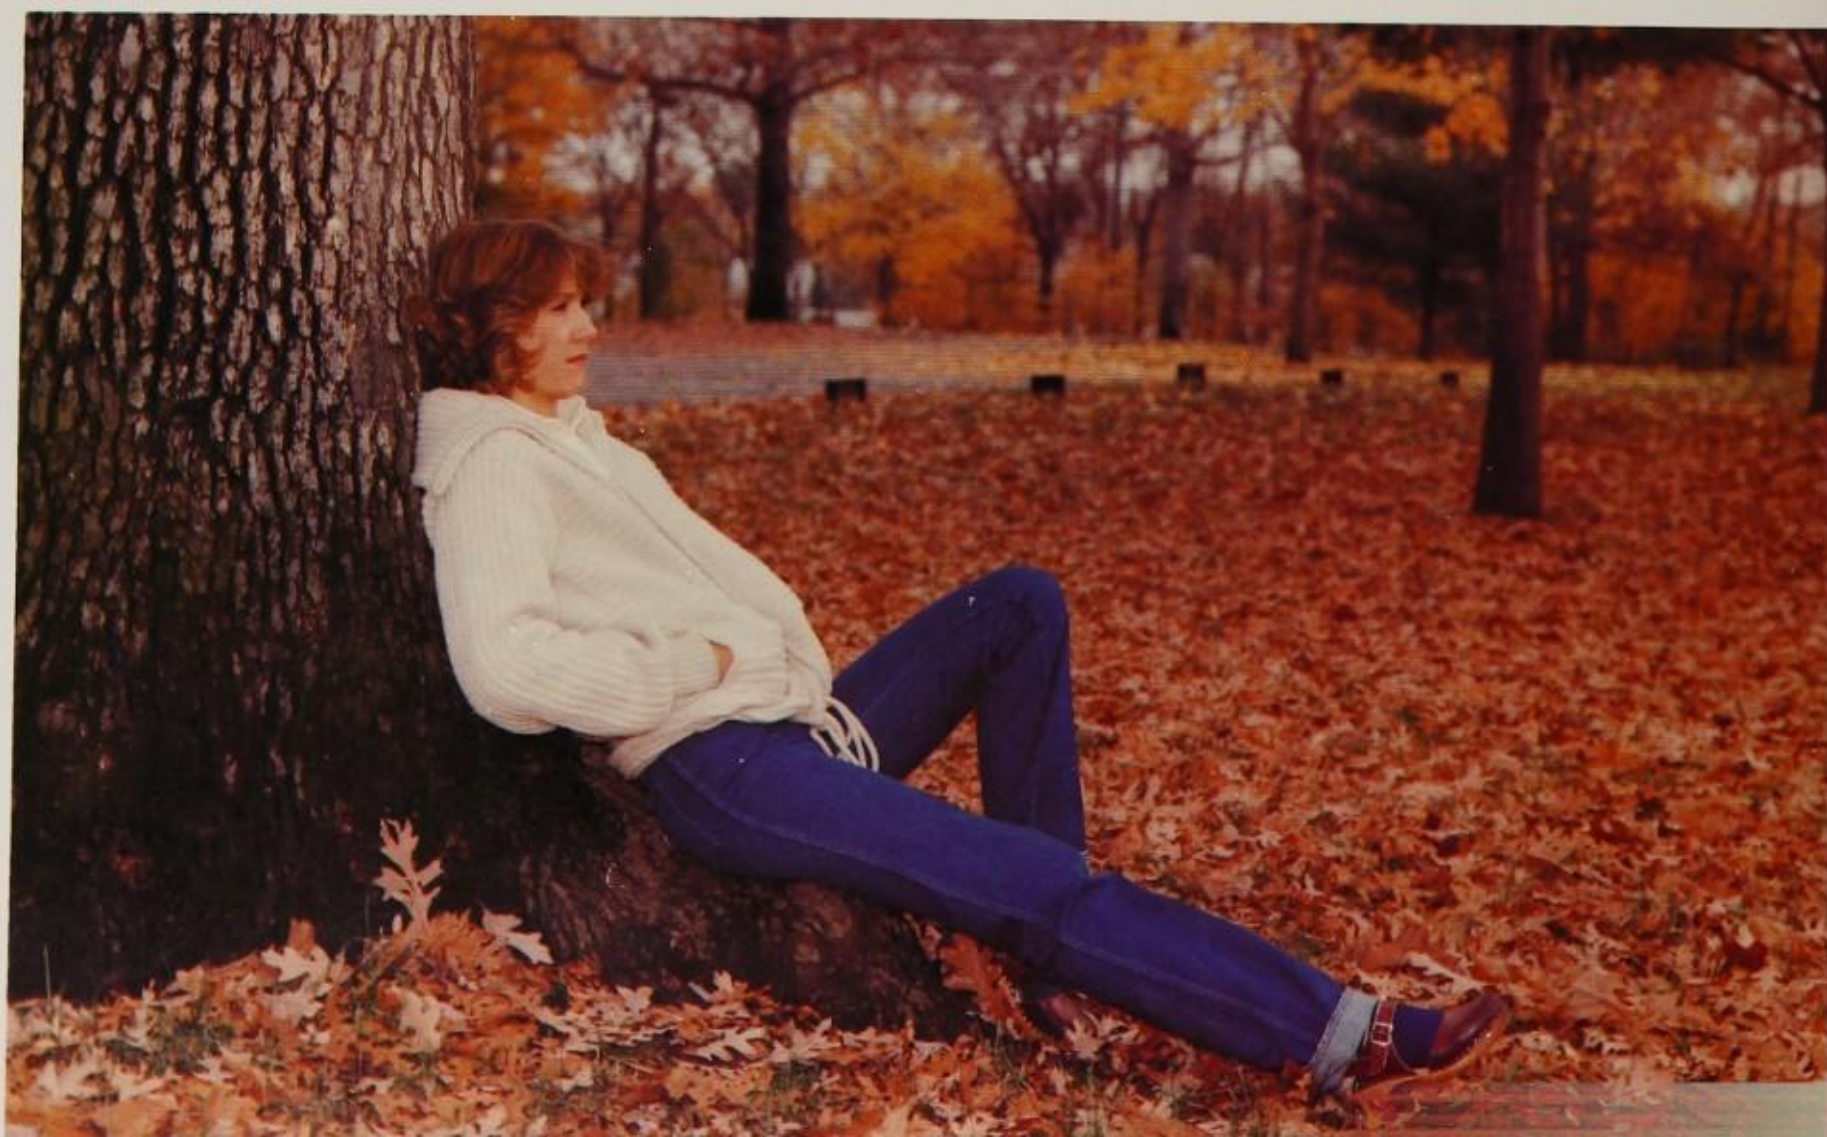

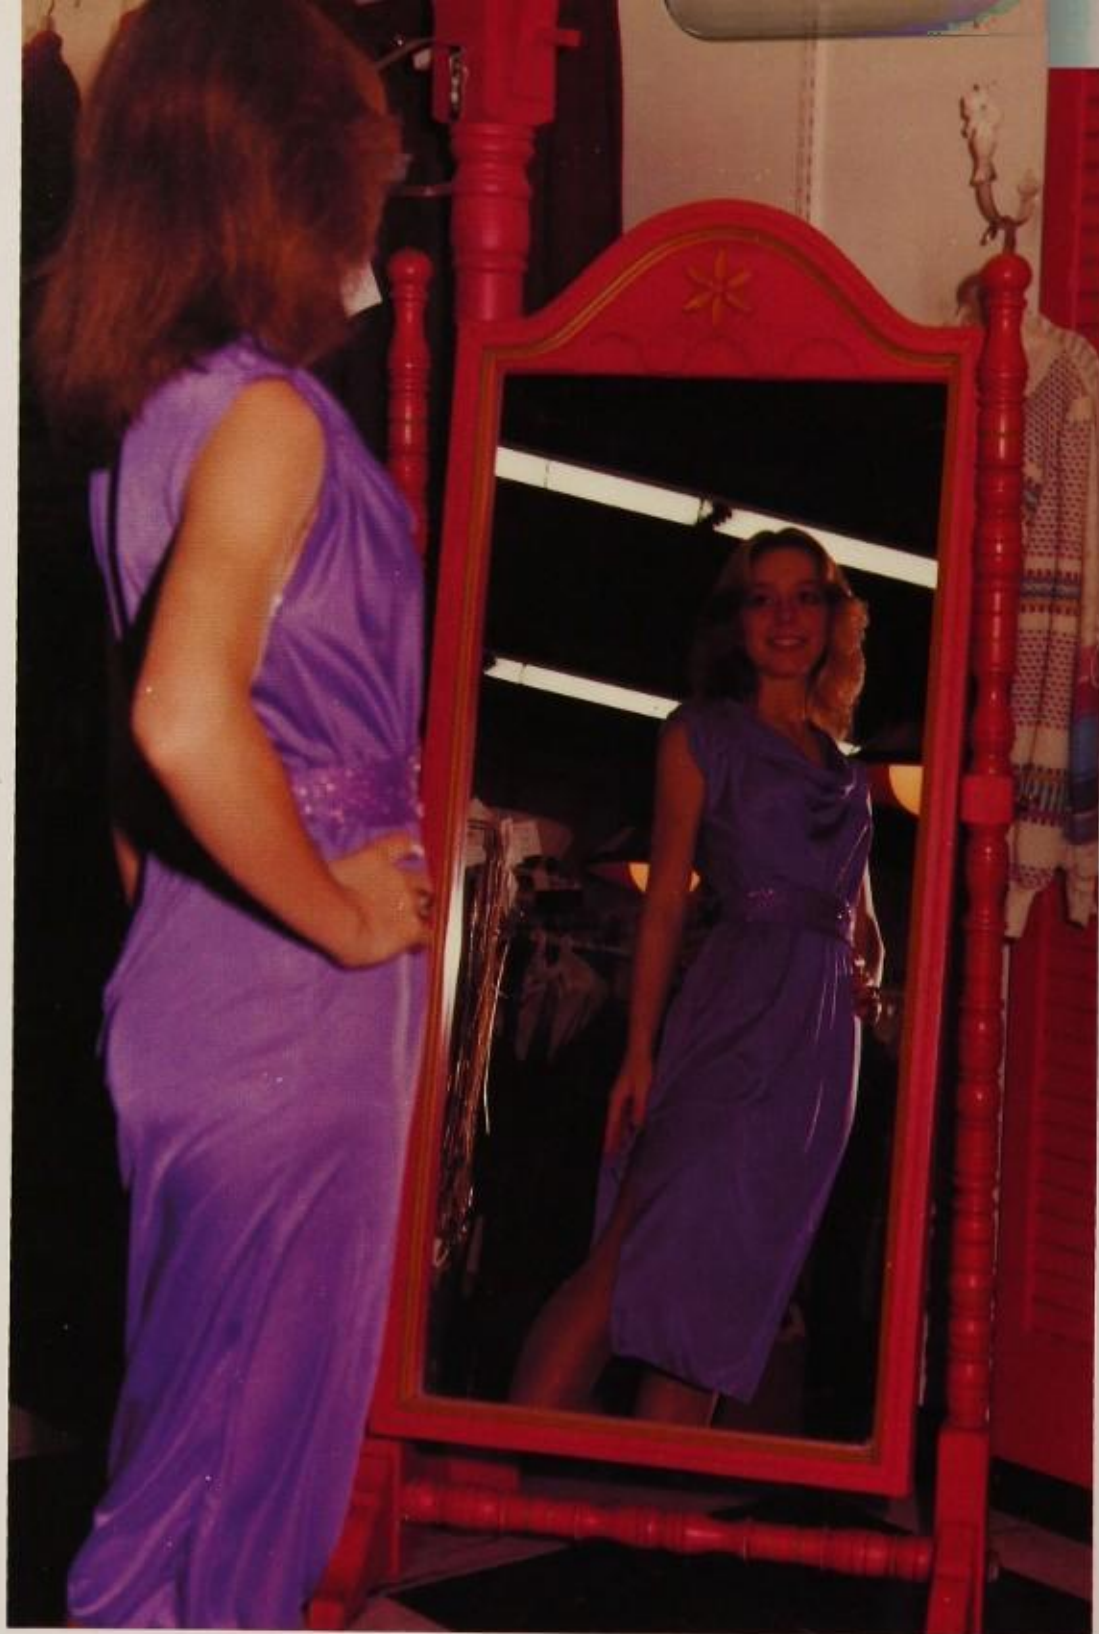

Peace,
like the silent dove,
should be flyin'
but it's only just begun.

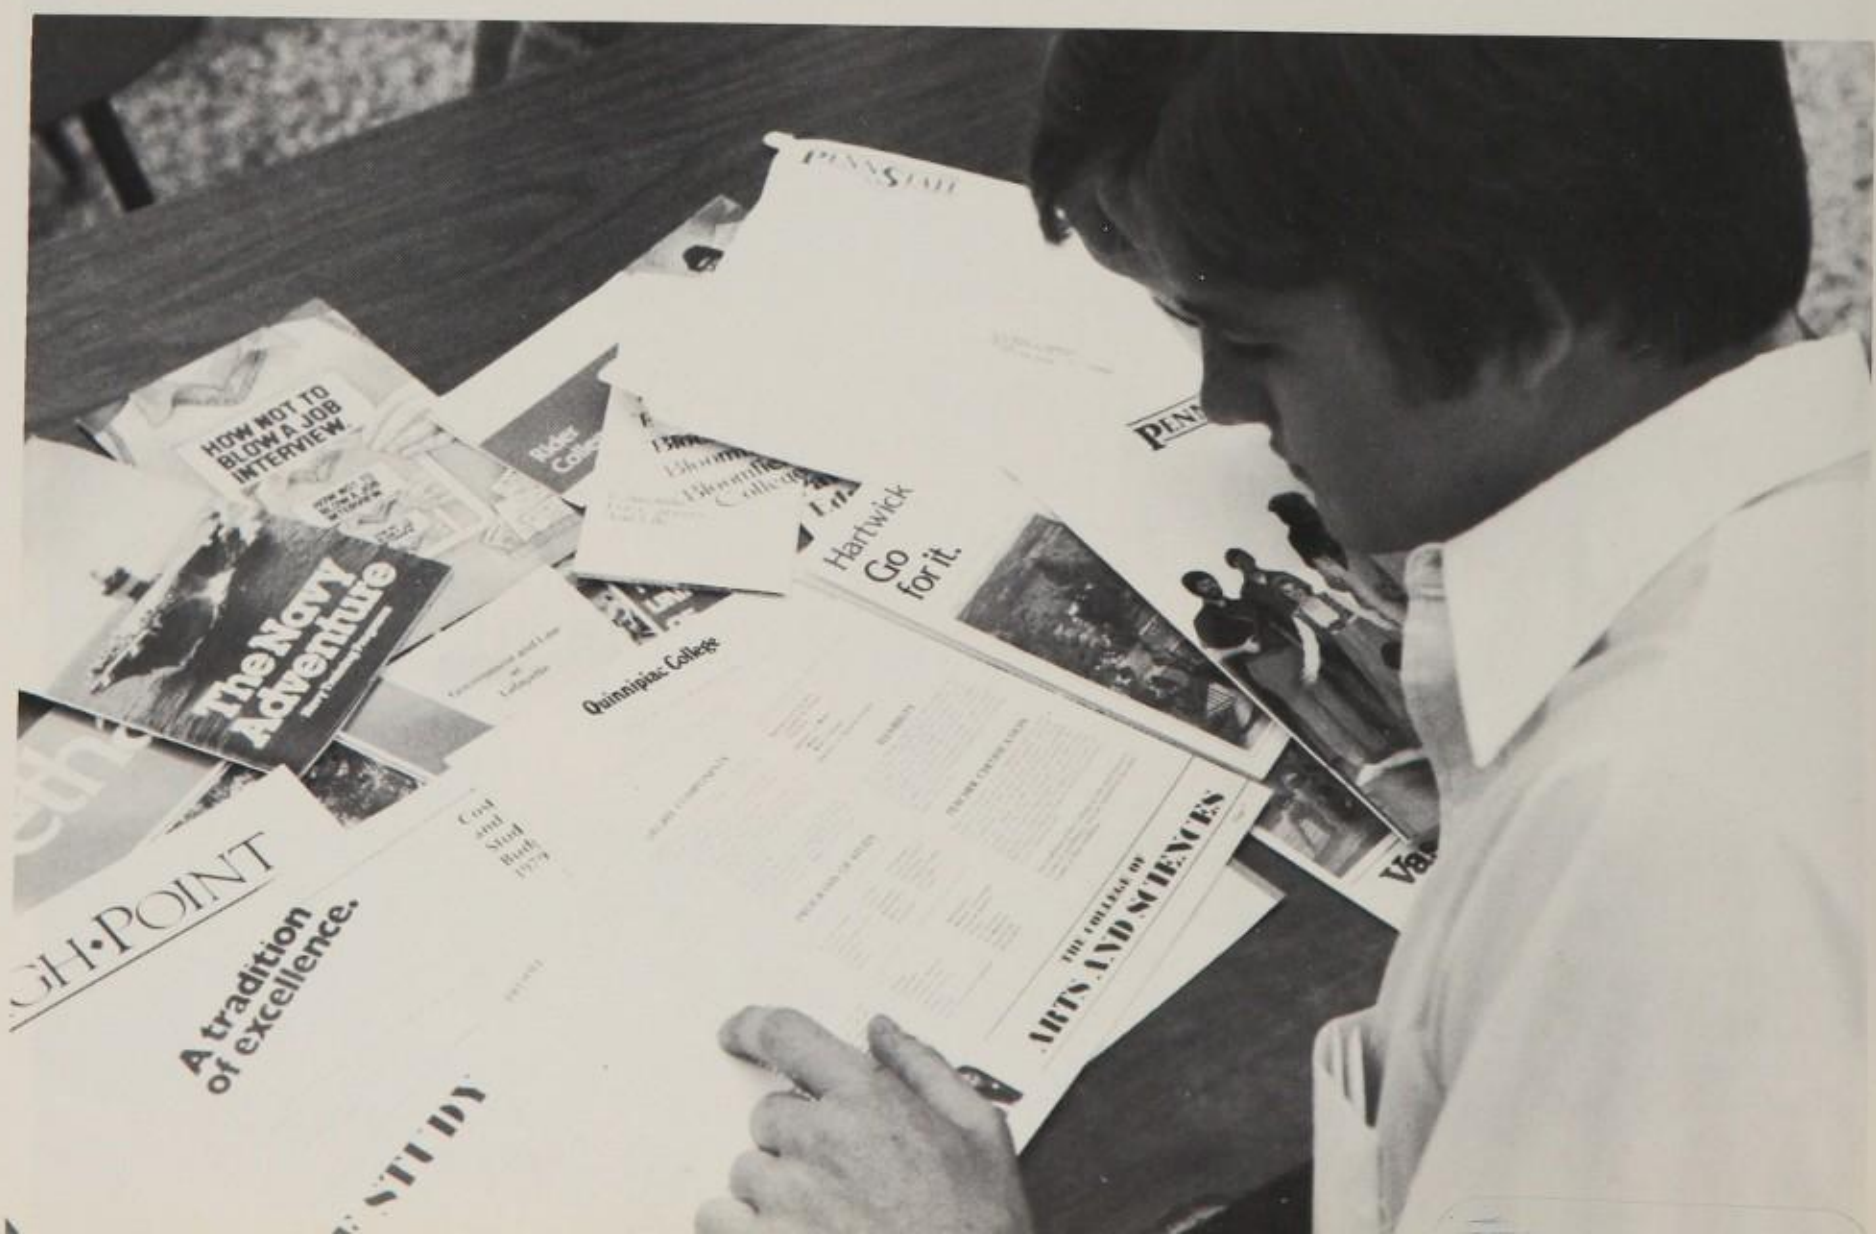

Dreams, so they say,
are for the fools
and they let them
drift away.

Like Columbus in the olden
days
we must gather all our
courage
Sail our ships on the open
sea.

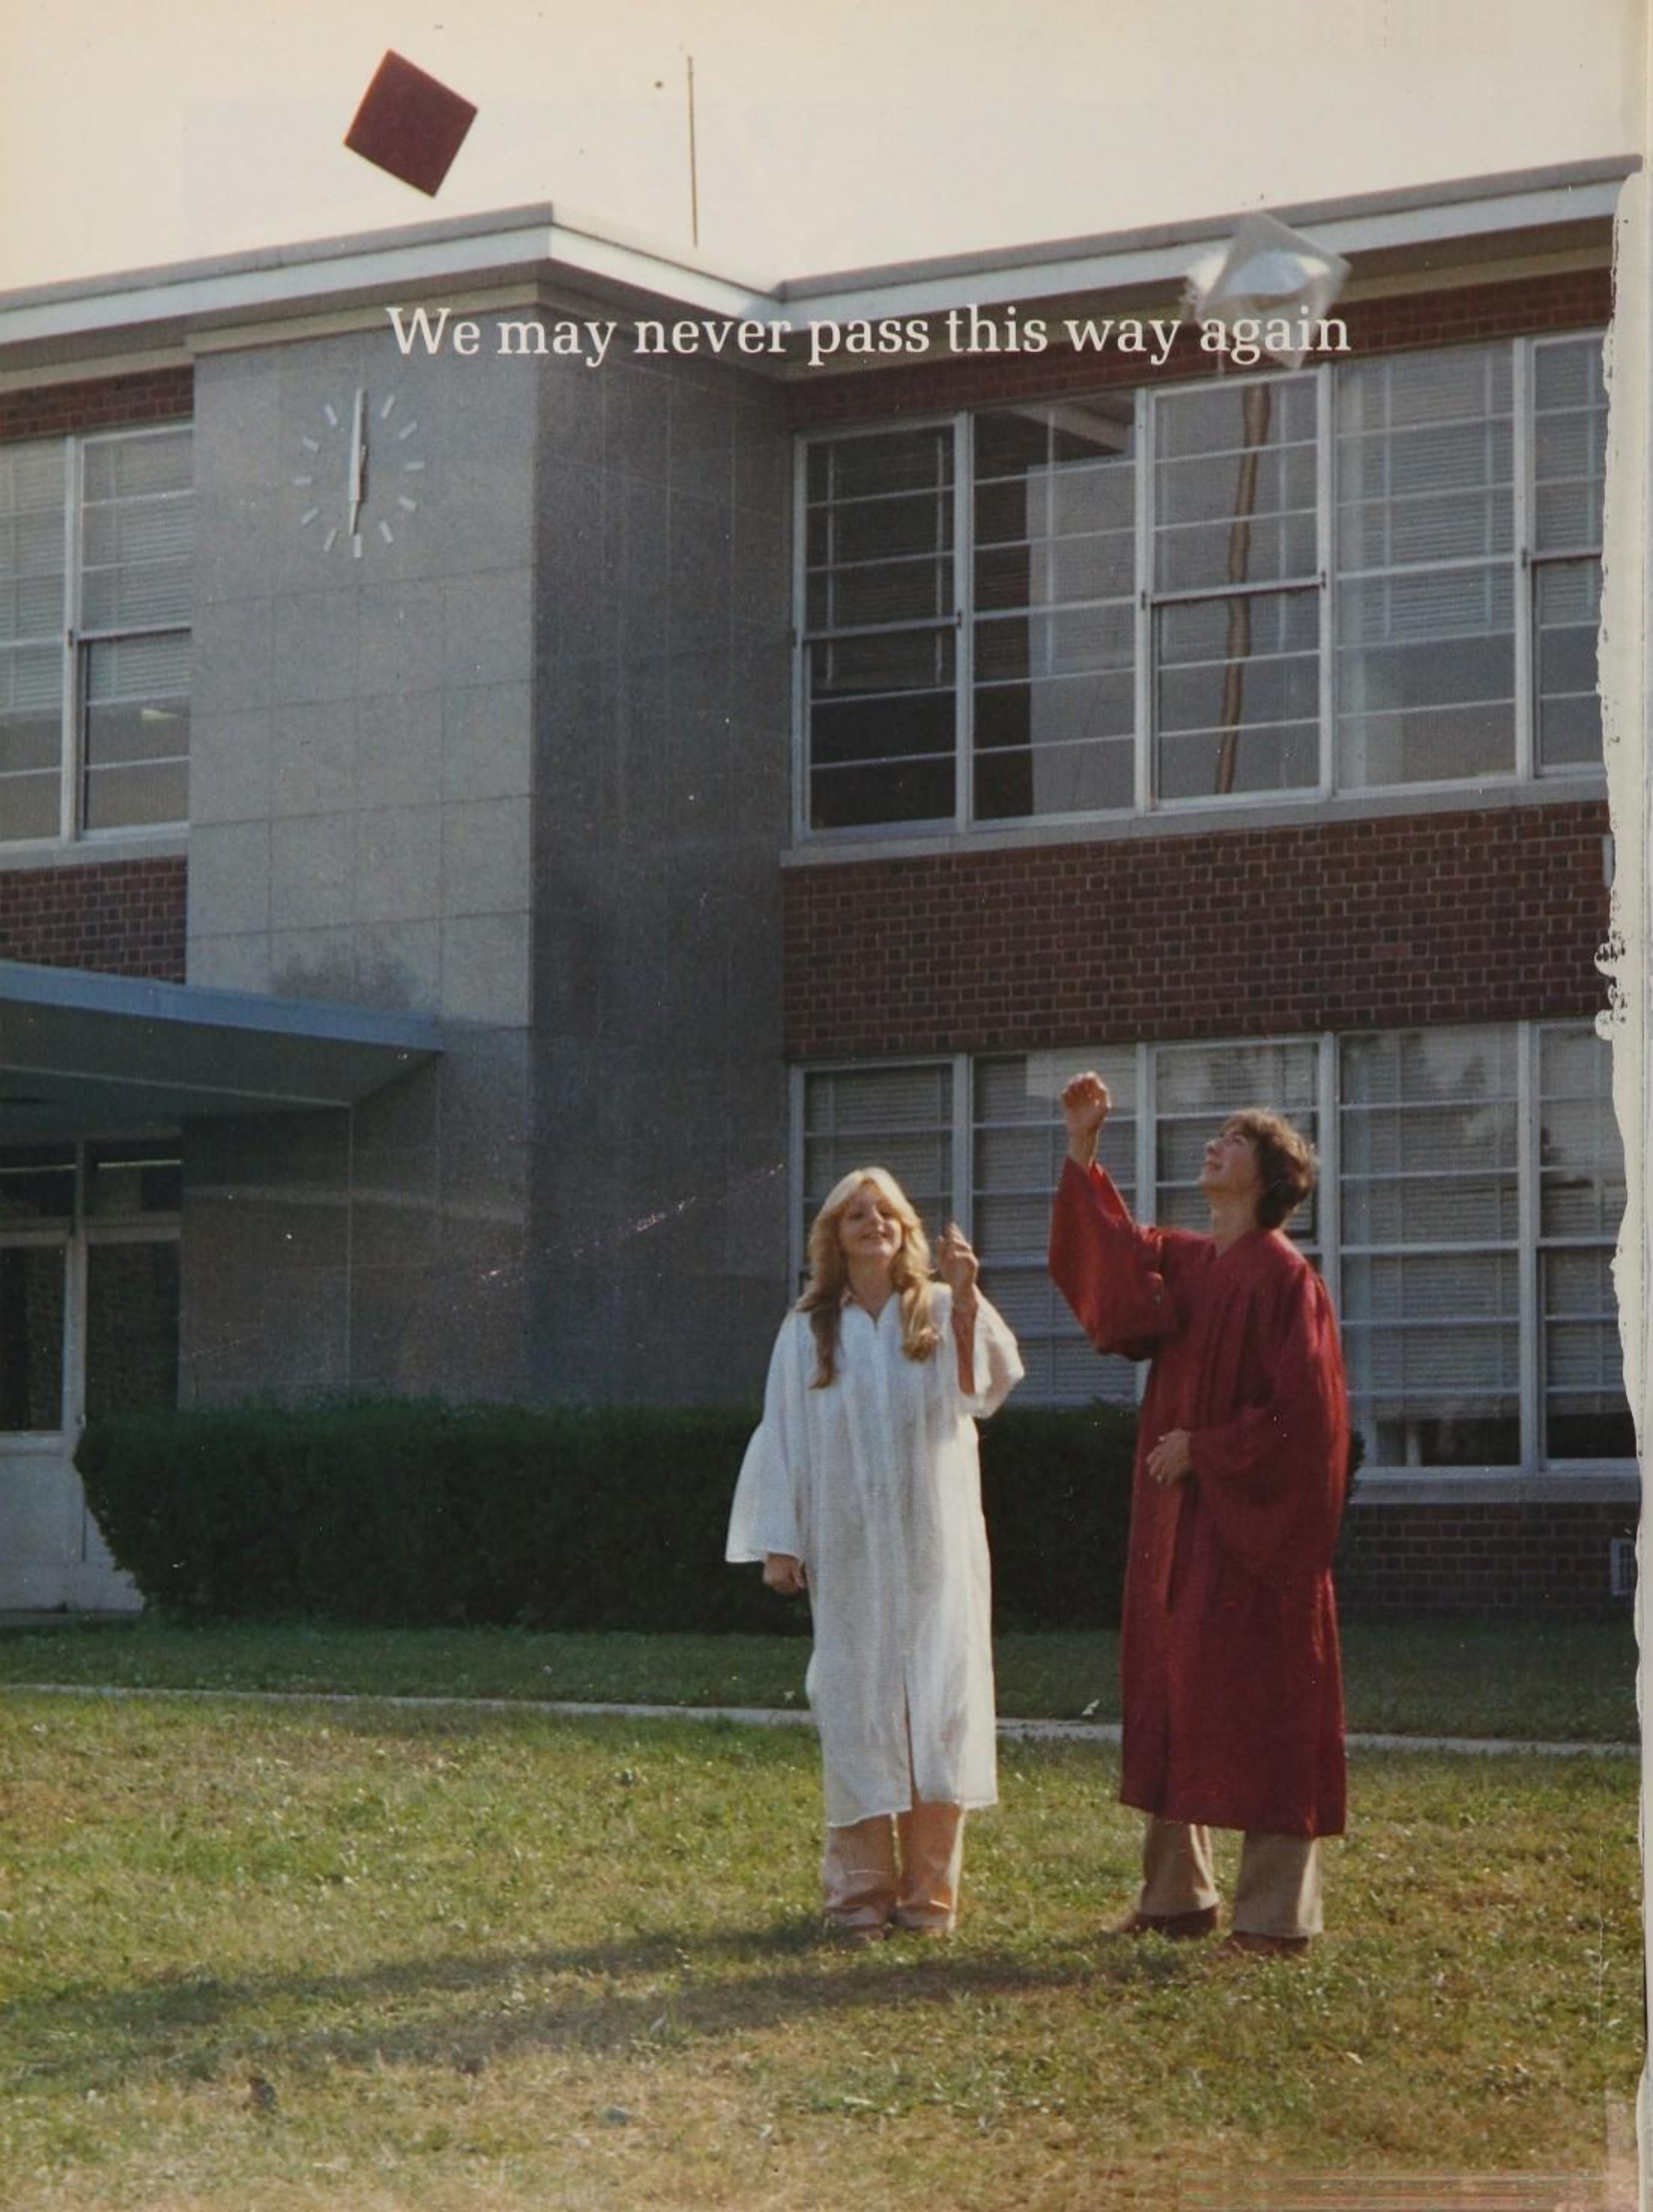

Cast away our fears . . .

... and all the years
will come and go and
take us up — always
up.

We may never pass this way again

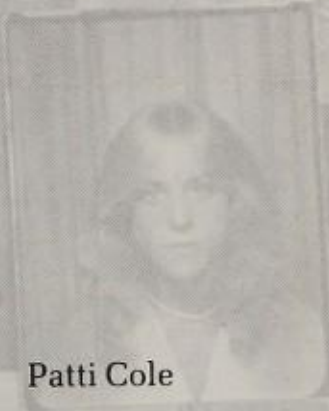

THE CLASS OF 1980 IS PROUD TO DEDICATE ITS SENIOR SECTION
IN LOVING MEMORY OF NANCY NEHER

NANCY ANN NEHER

Moving along in life
We leave behind the memory
Of a young girl, Nancy Ann Neher
One who did her best in all she did
And loved enough to all she loved
We know she is no longer with us
Yet she'll always be the biggest part of us
Remembering all the great times we shared
With Nancy
Makes us appreciate all we do
And all we now love
She'll never die
For no one dies, she's gone for awhile
But we'll all see her again in heaven above
Heaven is where all dreams are fulfilled
And nightmares fade away
You are happy and looking over us
Seeing all our rights and wrongs
We will continue living and learning
About life and all the journeys
One must take
To conquer the windiness and sadness
Each one of us holds a special feeling
For you Nants
A feeling of warmth and security
For we are sure of your happiness
And that's what we are living for

TOTAL TEAM EFFORT CHARACTERISTIC OF BEST TEAM IN STATE

The 1979 Union High School Football Team posted a 10-1 record which earned them the New Jersey State Football Championship. After a slow start the club gained the momentum to win its final nine games. Impressive victories over Cranford, Scotch Plains, Carteret, Elizabeth, and Plainfield qualified the team to participate in the state playoffs at Giants Stadium. Outstanding line performances by Scott Hanula, Karl Jacob, and Ken Jenkins paved the way for two 1,000 yard efforts of Mark Gruchacz and Mark Ignatowicz. To complement the running attack Mark Casale provided the aerial threat by completing passes to Dan Colder, Pete DePalma, and Dave Siebel. Leading a persistent defense, Bobby Hope, Doug Martin, Tom Blazak and Kevin Armstrong held the opponents to less than eight points a game. A total team effort made Union too much for Livingston in the state finals at the Meadowlands. With determination which the team displayed throughout the year, Union scored four consecutive touchdowns and handed Livingston a 35-14 defeat. The game proved Union's superiority and resulted in the Farmers being named the number one team in the entire state.

The first doubles combo consisted of Lisa Coderre, a senior, and Lisa Sherman. Seniors Tracy Miller, Terri O'Rourke, Holly Gernet, and Jill Muhlvill. Plainfield, Roselle, and Elizabeth were among the teams to fall to the girls. The season had many bright spots and was very young. Coach Donlan is looking for a successful season next year.

The Union High School Soccer Team completed its season at 6-8-3. The team, coached by Mr. Jeskey had impressive games against Hamilton West and Hamilton East (Stienert). Against Hamilton West the Farmers won 2-1. They tied the latter.

The team was paced on offense by leading scorer Ed Mangar. The wings were Antonio Araujo and Rick Goldberg. The mid-fielders were Rick Emmel, Mike Gardner, Frank Paul-Hus, Bob Cardullo, and Angelo Pallitta. Pallitta, a senior, was a two year starter. The defense was anchored by seniors Dan Ziegler, Fred Mikula, and Gary Dachs and junior Rich Belfer. In goal for the Farmers was Alex Lucco. The co-captains this year were Lisa Bingham and Judy Saunders. The Farmers played some top ranked teams such as Mt. Lakes, J. P. Stevens, Pingry, and Kearney. The lone victory was a 9-0 thrashing of Pequannock.

The graduating players are: Lisa Bingham, Barbara Kimble, Michelle Peoples, Judy Saunders, Cindy Schmidt, and Amanda Los Rios.

GREAT SEASON FOR VICTORIOUS FIELD HOCKEY TEAM

The Union High Girls' Field Hockey team ended their best campaign ever by finishing at 3-4-7. The defense led the team which was captained by Terry Hartjen and Ann Shannon. Hartjen won a spot on the All-County second team and made third team Group IV. Shannon was named to the All-County second team along with Sue Ross.

THE DEFENSE HOLDS!!!

LET'S HEAR IT FOR THE FANS!!!

Go U-N-I-O-N!!!

We dedicate this new part to the people that make up the cheering sections of the stands. These are the people that come out rain or shine to root their team to victory. The majority of the school falls into this category. So let's hear a RAH or a CLAP or a YELL for the good ol' fans!

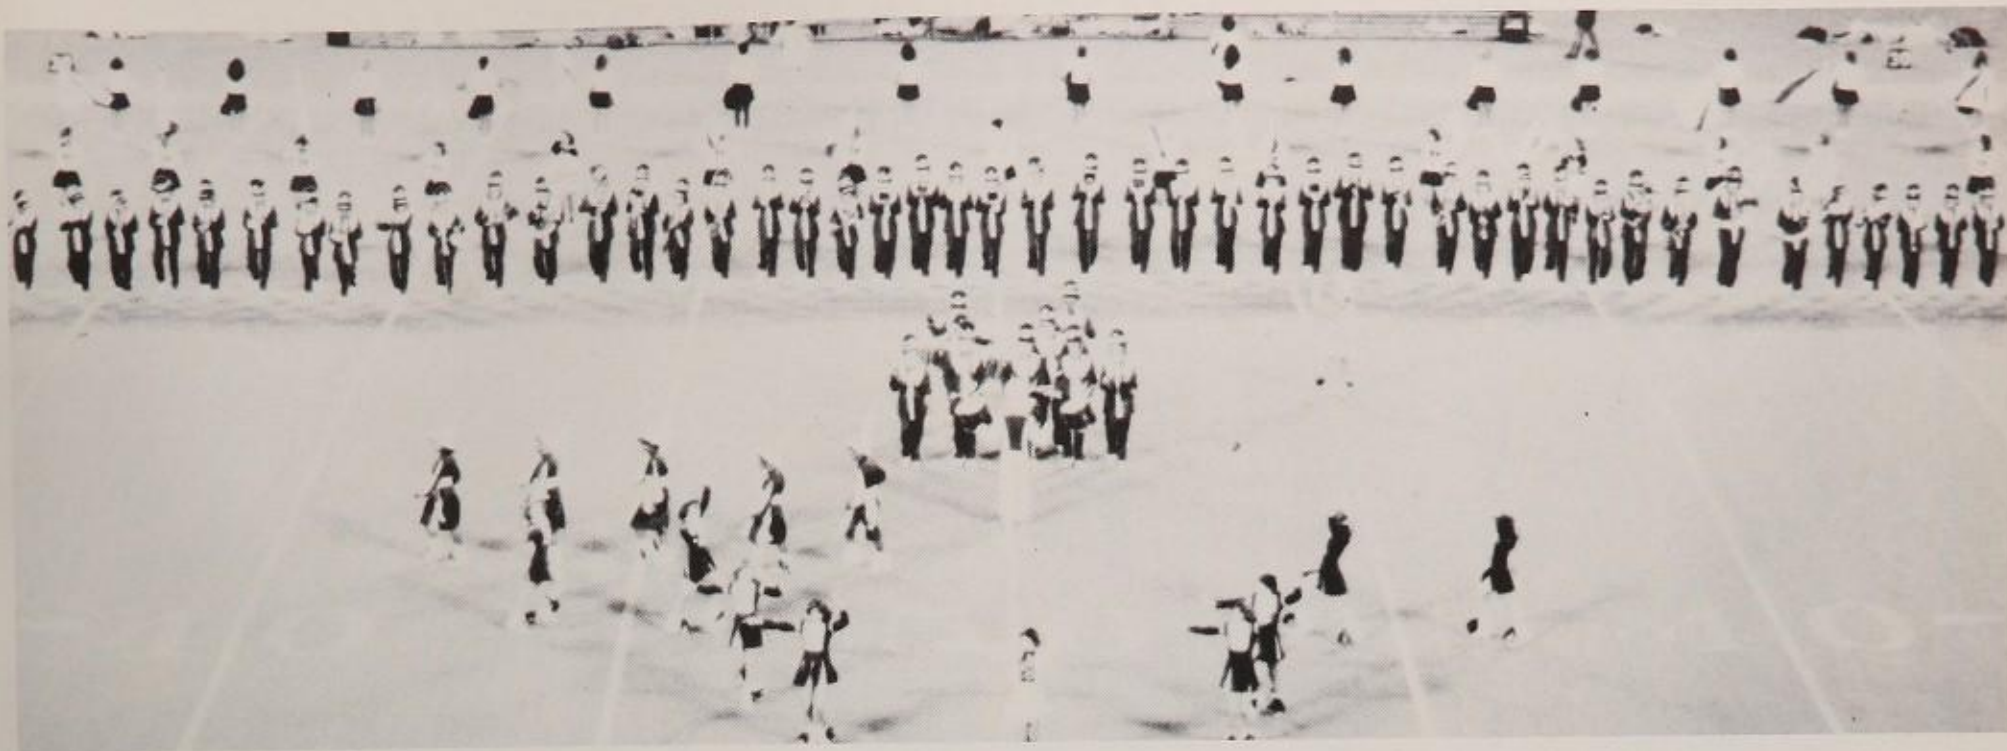

Stand up and cheer.

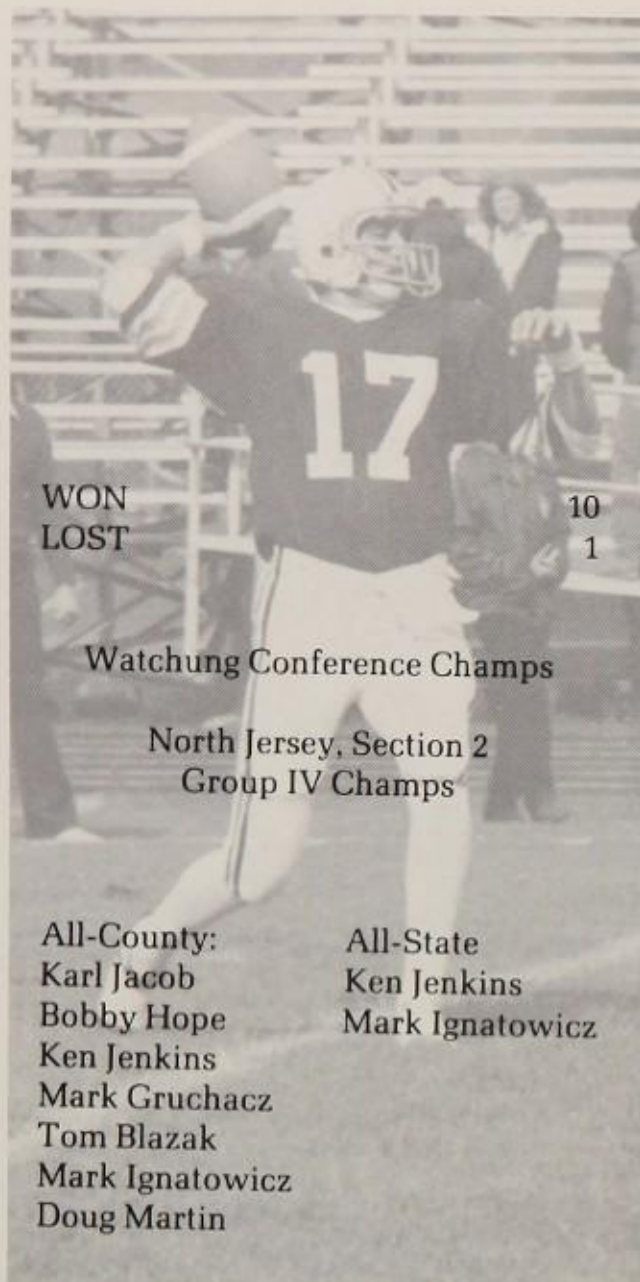

Fans applaud football team at the Meadowlands.

The UHS Bowling Team had another successful season. During the regular season, the Farmer bowlers finished in second place in the strong Watchung Conference. They finished with a 10-4 record, good for 67 points, just five points behind division champ Cranford.

They were led by Mitch Sacks 635, Glenn Nicol 590, Mary Ellen Famula 548, Mike Abbaticola 542, and Bob Kroschinski 511, for a 2826 pin total. Union finished 60 pins ahead of second place Clark in the twenty team field.

For the second straight year the Farmer JVs also qualified for the tournament finals, finishing in 6th place with a 2268 pin total. The JVs also finished in second place in the Watchung Conference JV division. They posted an 11-3 record, good for 69 points, just four points behind division champ Clark. TEAMWORK WINS BALL GAMES

This year's Union High School Basketball team had a season that will long be remembered. The Farmers were represented by a *Team*. No one player stood out. It was the kind of representation every coach dreams of and our coach Tom Fox received. Mr. Fox was an engineer, an artist with the materials but one looking for the right combination to paint the picture.

The captains were the starting guards Mike Gardner and Bobby Hope. Gardner displayed an uncanny outside shooting touch especially during the latter part of the season. Hope, a workhorse, had a consistent season and was one of the finest defensive players on the team.

At center the Farmers went with James Smith. It was a familiar sight to see number 32 "Skying" for a blocked shot or driving to the basket for a customary dunk.

At the fowards Union started the Horton brothers. Brian, a senior, was characterized by names such as Mr. Cool and Mr. Consistent. Brian had an exceptionally soft shooting touch that led to his team leading point average. Kevin came into the starting lineup halfway through the season. Kevin only a sophomore is destined to be one of the finest players ever at Union High.

The Farmers began their campaign back on Dec. 15 on a bright note by beating Barringer in overtime. A highlight of the season was the trip to the Bahamas where the team was runnerup in the Grand Bahama Classic. As the season progressed the Farmers won more and more. James Smith hit a last second half-court shot to beat arch rival Plainfield by two points but in their return meeting in the regular season Union fell, 69-58.

In the Union County Tournament the Farmers were seeded first. En route to the finals they defeated Scotch Plains, Union Catholic, and Hillside. The scene was set for Plainfield again, and the game was a sellout. Union played inspired ball throughout the first three quarters and led by as many as 19 points but Plainfield came back. When it was over the Farmers were able to hold on to beat the Cardinals by two, 67-65. The Farmer five were champs.

NEW ALL-WEATHER TRACK AIDS WINTER TRACK SEASON

The Winter track team performed both indoors and outdoors.

The Winter Track team embarked on a dual meet schedule for the first time in the school's history. Our new all-weather track plus a mild winter helped Union High to conduct successful home track meets. The team posted a commendable 4 wins and 1 loss with the one loss being a close decision to state power Elizabeth. One of the wins was an upset over Rahway.

Eugene Osti was the top individual performer (shotput) competing in the prestigious Saturday invitational meets. He took first place in the Hudson County Invitational and second place in the Union County championships. Sophomore Ray Oliver took fourth place in the Hudson County tourney.

Kevin Armstrong, a consistent scorer in the sprints, 440 and relay was the captain of the team. The team was coached by Ed Torcicollo, assisted by Bob O'Dell and Jeff Longuiel.

SENIOR TRIO LEADS GIRLS' BASKETBALL TO 5 WINS

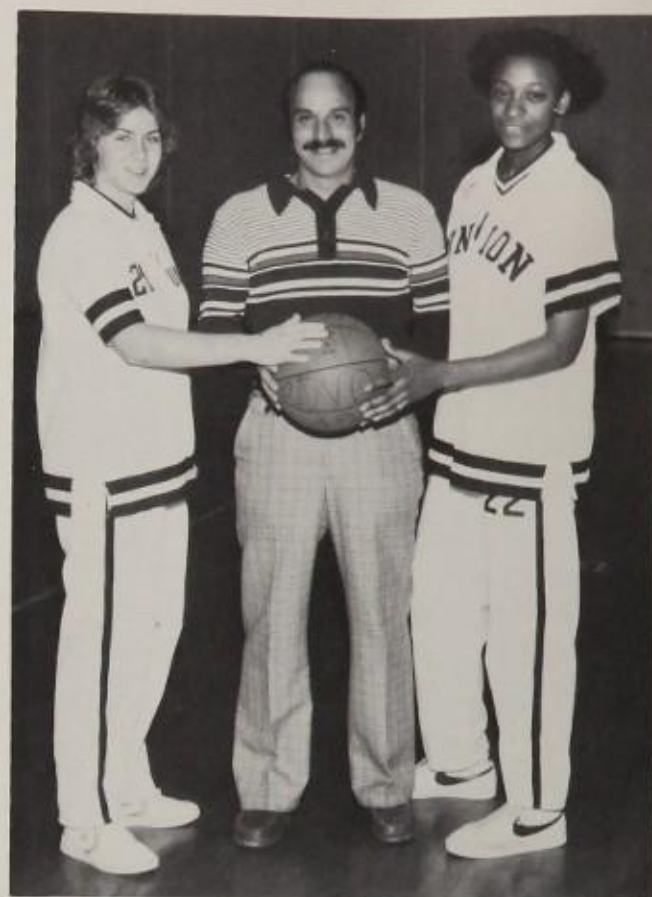

The 1979-1980 edition of the Union High School Girls' Basketball team finished its season with 5 wins. In their fourth year the girls, coached by Mr. Joe DeStephan, were hampered by injuries.

The ballclub was led by Jackie Hayes. Hayes' strong inside game was the chief reason why she was the team's leading scorer and rebounder, Jackie had many games in which she scored over 20 points and in her finale she scored a career high 32 vs. St. Mary's of Elizabeth.

At the guards were the solid tandem of Ann Shannon and Mary Alexander. Ann, a senior, scored six points a game and was the quarterback on the squad. She was the ballhandler. Mary, a junior, was a steady player and showed spurts of grandeur.

Co-Captain Terry Hartjen started at one forward. Terry, in her first season played inspired at all times. She showed great leadership and was able to help out with rebounds. The other starting spot changed hands many times during the season.

This year's team defeated South Brunswick, Hillside, Roselle, Rahway, and arch rival Elizabeth. They lost in the first round of the Union County Tournament. With some fine players and great teams at the junior high school level next year's team should be something special like this one.

Co-Captains: Jackie Hayes and Terry Hartjen with Coach DeStephan.

MATMEN GRAPPLE TO .500 IN 1980

This year's 1979-1980 Wrestling Team finished its regular season campaign with a record of 7-7. This year's team had an abundant amount of seniors with the varsity. At the leadoff weight the Farmers went with Todd Bauer who is only a freshman. Then came the seniors. Steve Edwards, a scrappy performer, took third place in the Union County Tournament. Joe Crisafi wrestled in the 122 pound weight class and like Edwards placed third in the County Tourney. Rich Cohen used his strength to finish with his second good season. Vin Venturo, the only starting junior will be back next year to the delight of coach Al Lilley. Steve Kuhn recorded four pins during the regular season to tie Crisafi for that honor. For the third year in a row Jim O'Neill proved he is one of the finest wrestlers in the county. Larry Gomes in the 148 pound weight class won the Union County Tournament championship. Drew Baumann was one of the strongest men on the team and showed it in many of his matches. Mark Gruchacz converted from football to wrestling with no problem and did a fantastic job. Doug Martin, the heavyweight, led the team in pins with 9 and was credited with the fastest pin (:39). The team finished fourth in both the Seton Hall Tournament and the Union County Tournament.

Coach Lilley

Drew Baumann (170) was one of the strongest, in terms of sheer strength, on this 1980 team.

Mark Gruchacz stands up looking for points.

The wrestling team finished the year at 7-7.

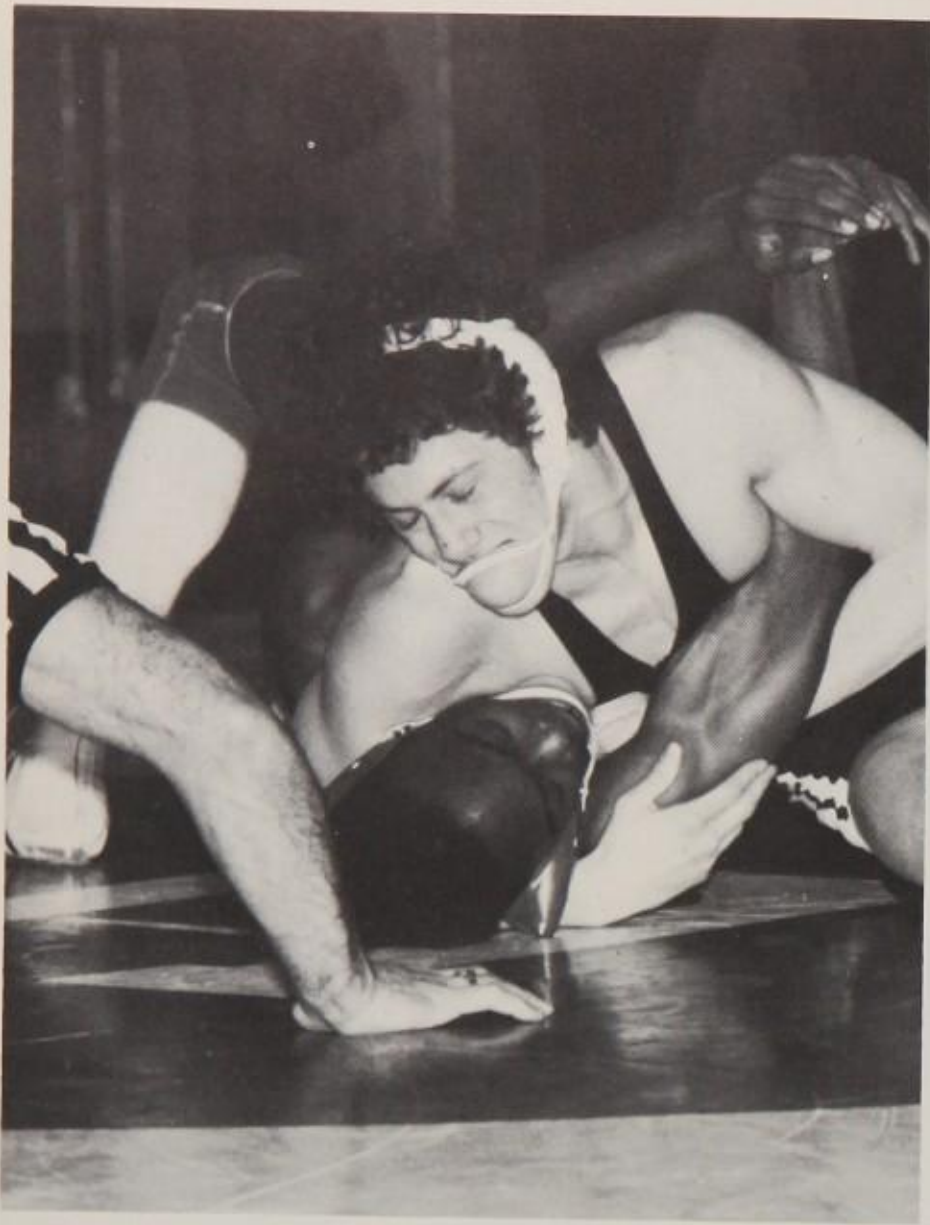

Vin Venturo and a strong J.V. team will be back next year.

Jim O'Neill put incentive and leadership into the team.

Doug Martin, wrestling in the heavyweight position, was a big winner.

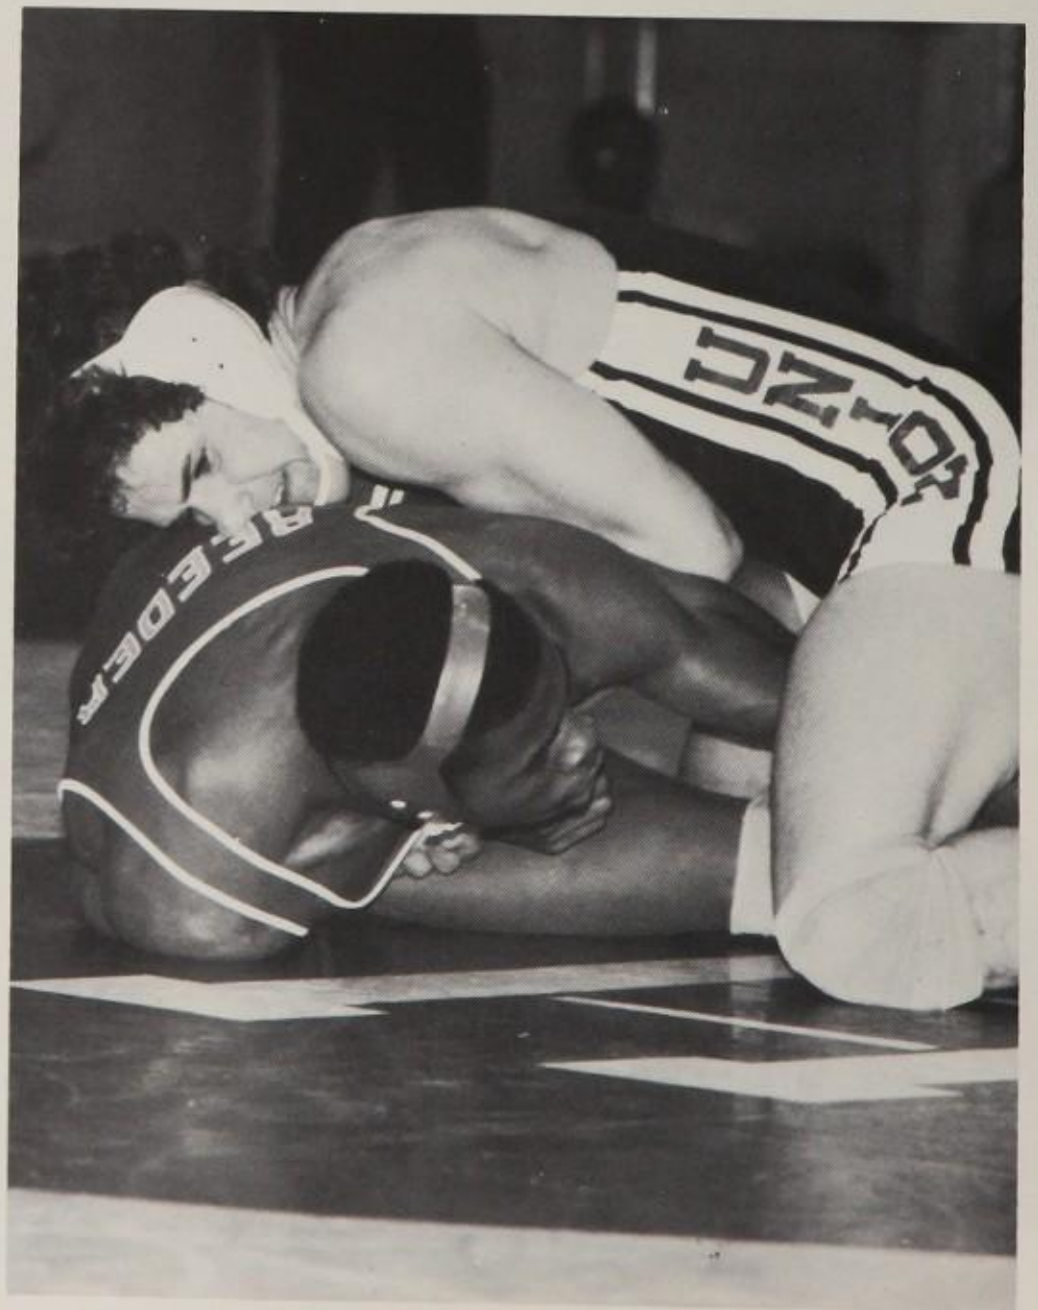

Joe Crisafi (122) got a hold on a winning record.

Steve Kuhn was tough all season.

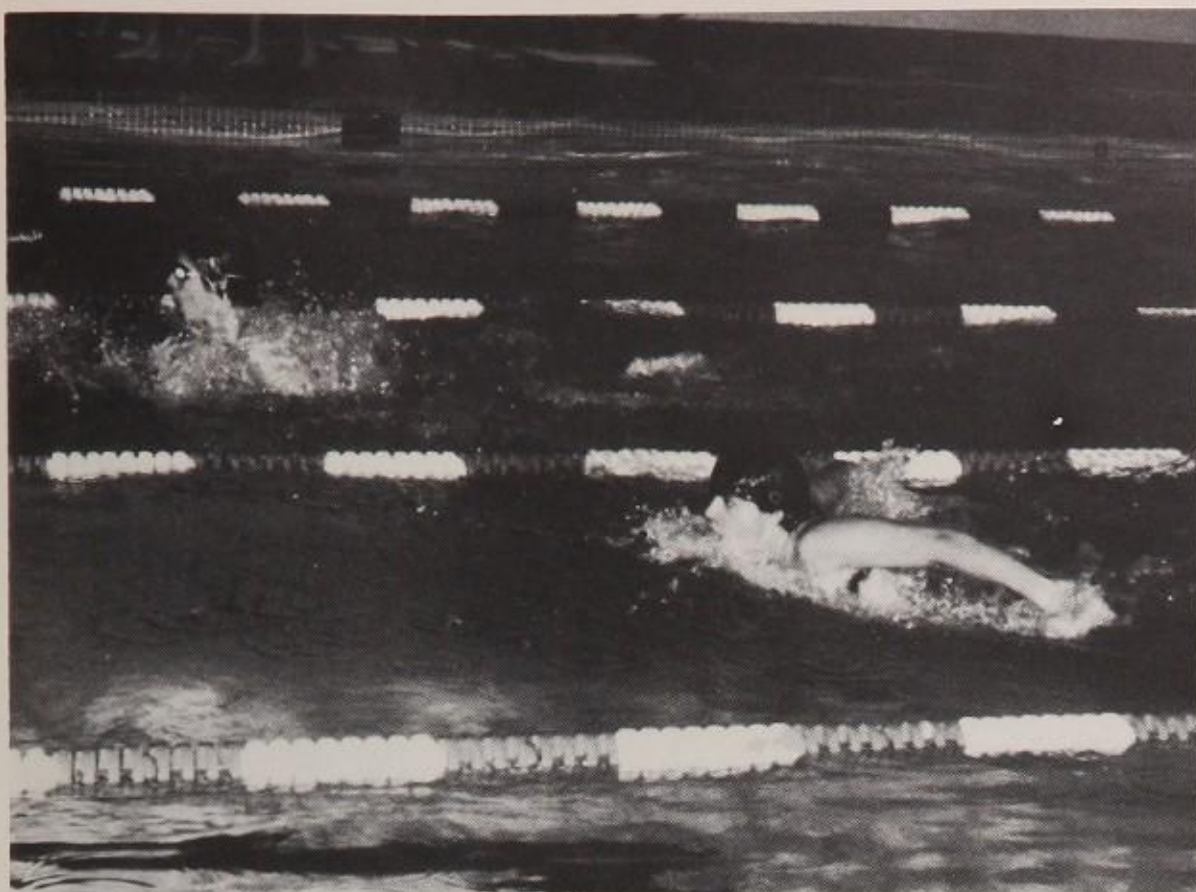

Rich Cohen (129) shows the strength that won him matches.

Larry Gomes (148) had one of the best records on the squad.

SWIMMERS STROKE THEIR WAY TO AN 8-10 RECORD.

Chambers, R. Prys-ko. Not Pictured: S. Conlin, S. Lueg.

The Swim Team finished its season with a record of eight wins and ten losses. Graduating seniors are Ray Pruskowski — 100 yd. backstroke; Dave Sherman — 50 yd. freestyle; Greg Gwizdz — 500 yd. freestyle; Mary Ellen McNally — 100 yd. breaststroke; Chuck Connolly — 100 yd. breaststroke; John Reilly — 200 and 500 yd. freestroke; and divers Bill D'Alia and Kathy O'Connor.

The loss of these seniors will weaken the team somewhat, however, strong upcoming sophomores and juniors will form a solid nucleus for what should be one of the team's better seasons of late.

The team was coached by Mr. D. Reinhard and the captains were John Reilly, Chuck Connolly, and Kathy O'Connor.

...and you can't see the strings!

RIFLE TEAM FINISHES SECOND IN STATE

Ben Rafanello takes aim at another fine score.

Darryl Gerndt shoots with fire in her eyes.

Warren Zelko takes peek through scope.

This year's Union High School Riflery Team had the third best record in the team's history. The season was marked by extremely close matches, the closest of which were both against a very strong Kearny team. Union won both by just one point. But those were not the only matches that one point made the difference. In the state prone championships, Union came in second by a point. In the individual segment of the competition Jim Holland missed the state championship due to a defective bullet. Despite this, Union went on to place four men in the top ten. In the New Jersey Interscholastic Rifle League State Championship, Union again placed second by a point with first going to Nutley. (Later an error was found in scoring which would have given Union the title but this error was disallowed since it came after the match.)

The team was led by co-captains, Jim Holland and Ben Rafanello. Once again they were coached by Mr. Robert White.

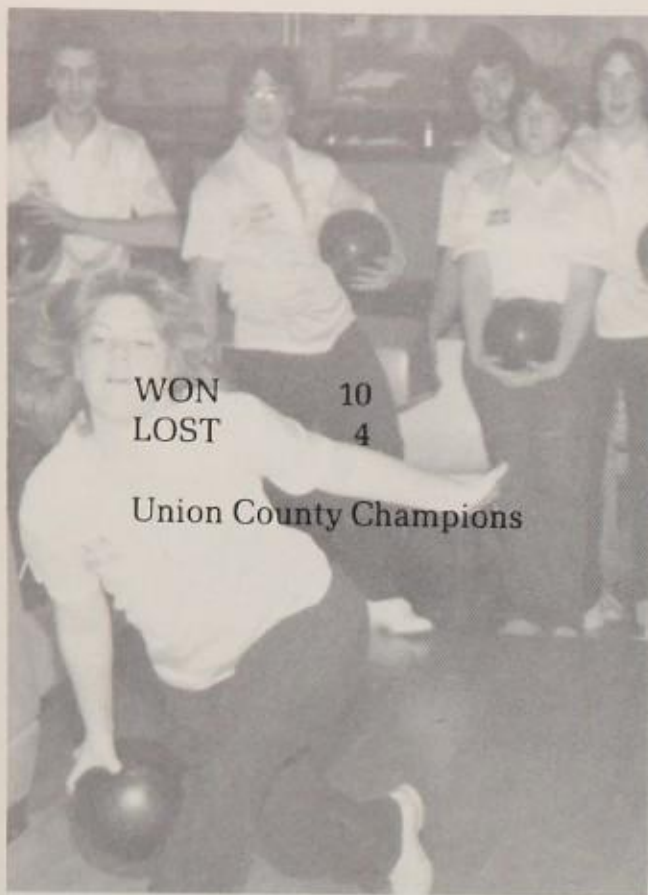

If they begin to shoot right now, when will their bullets hit each other?

Coach Robert White has an unbelievable winning record at Union.

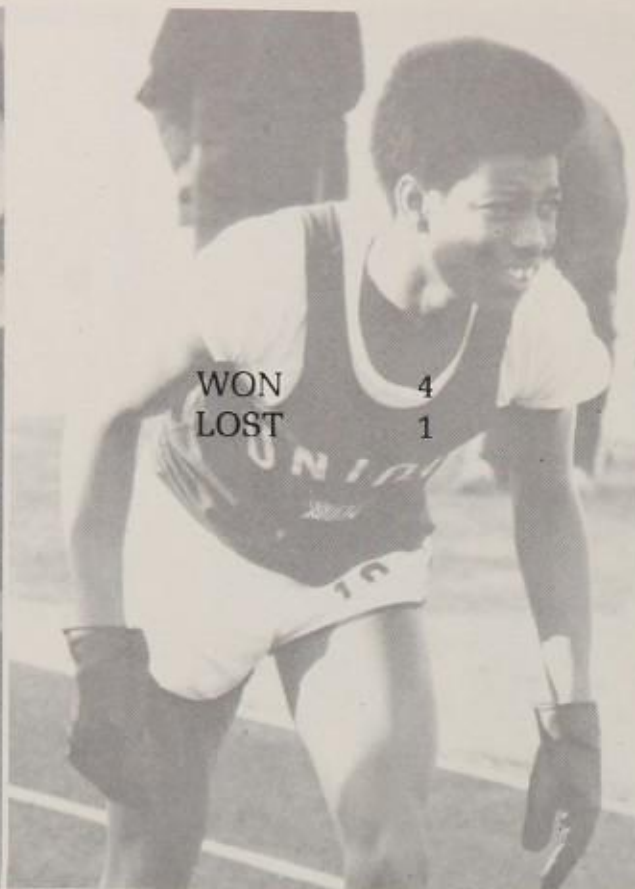

Ready, aim, FIRE!!!

THE STUDENT COUNCIL

The Student Council is a vital part of Union High School. Its various organizations give the students an opportunity to express their ideas. Through many activities, both fund raising and service, the Council has succeeded in promoting school spirit throughout the school.

The Council is the heart of the student body. As the heart is the lifeline of the body, so is the Council the lifeline of the Student Body — both must co-exist and work together in order to be a functioning unit.

As a student government organization, the Student Council aids the administration in keeping a smooth running school. When there is a Council to work with the Administration, the entire school benefits.

STUDENT ADVISORY

The Student Advisory Committee is a group of students who meet monthly with the administration to discuss concerns about community and school affairs. The National Honor Society is a very prestigious club. There are, however, certain qualifications that one has to meet. Only when one becomes a junior can he join. The candidate also has to be an honor roll student and a member of five clubs. One has to hold an office in one club in order to demonstrate leadership and also has to play an active role in a service organization. But the Honor Society does have some activity. It receives various speakers throughout the year, it has a very pleasant induction ceremony in March, and in the spring the Society takes a field trip.

MODERN DANCE

The Modern Dance Group offers creative imaginations to develop into some form of movement, produced by the girls themselves. The girls perform annually in the school play, arts festival, apparatus show, and in addition, make up routines for their own enjoyment. The girls meet twice a week for the whole year, and receive letters for meeting the requirements of good attendance and participation in various activities. The captain for the 79-80 season is Ellen Lieberman.

FUTURE PHYSICIANS

The purpose of this club is to encourage interest in the field of medicine and/or the allied health careers. Members are given the opportunity to attend in-school and evening lectures on the various fields of medicine by leading New Jersey doctors and allied health professionals. The club also provides the opportunity for members to become licensed in Cardio-Pulmonary-Resuscitation (CPR) by offering the course in the spring. Membership is open to all students, but they must have at least one year of experience in the club before being permitted to run for an office.
